

Vanilla Business Solutions Privacy and Security Statement

Privacy and Security Statement

We are committed to instituting and maintain policies and procedures which keep the privacy and personal information gathered from our clients, prospects and other visitors to our website protected.

Requested Information

Information is collected from you when you use e-mail forms to contact us, or when you contribute to or use some of the advanced features on the site. The information we collect is clearly identified on the web page on which we collect it. In addition, we may collect your IP address and use cookies unless you configure your web browser to not accept them.

Vanilla Business Solutions website uses e-mail options for visitors to request information or express their interest. We will not share, rent or sell your information to any third party, and will use reasonable efforts to maintain the confidentiality of the information you provide. Any information will be used for internal business purposes only, and to support your relationship with Vanilla Business Solutions.

Security

We utilize industry-standard encryption technologies when transferring and receiving user data exchanged with our site. We also have adequate security measures at our physical facilities to protect and retain information collected from you at our site.

Changes to Privacy Policy

Vanilla Business Solutions reserves the right to change its Privacy Policy at any time and without notice by updating this posting.

Questions

If you have any questions or complaints relating to this Privacy Policy or how we use the personal information we have about you, please contact us at vanillabiz@mweb.co.za.

-Thank you-
